Issue No.:
MT11A041

Declaration of Conformity

We, Manufacturer, **CARLO GAVAZZI LTD.**, BLB042,
Bulebel Industrial Estate, Zejtun, ZTN 3000, Malta, declare that the products (description of the component)

RGS1D1000DxxKK E xx = 15 or 25
maybe followed by suffixes

are in conformity with

The Low-Voltage Directive 2006/95/EC

(reference to the specifications with which conformity is declared)

EN 60947-4-1:2010 Low-voltage switchgear and controlgear - Part 4-1: Contactors and motor-starters - Electromechanical contactors and motor-starters.

The EMC Directive 2004/108/EC

(reference to the specifications with which conformity is declared)

EN 61000-6-4:2007 + Amd.1:2011 Emission for Industrial Environments

EN 61000-6-2:2005 Immunity for Industrial Environments

CE marking.

Quality Management System certified to EN ISO 9001.

Design and manufacturing follows the provisions of the Low Voltage Directive of the European Communities as of February 19,1973 as changed by 2006/95/EC and the EMC directive 2004/108/EC
