Notes:

This Manufacturer's Declaration of Conformity is only valid under the condition that:
The above-mentioned products are installed as prescribed in the installation documentation and protected against accidental touch.
Conformity with the RoHS requirements is subject to supplier declarations and/or signed contractual agreements.

Testing was performed with the above accessory connected to a relay and representative loads.

It shall be the responsibility of the system integrator to ensure that the system containing the above accessory complies with the applicable rules and regulations for their system.
It is recommended that the control wires to RPM accessory are to be installed together (i.e. two core cable) to ensure the RFI susceptibility level of RP product is maintained.
